Monthly Reporting Requirements for the Wagner-Peyser Act Program, Including the Reemployment Services Grants

State grantees will begin reporting on a monthly basis on current activities for the Wagner-Peyser Program, and Reemployment Services Grants, on July 15 for the month of June. The definitions for the data elements included in the form are taken from the current Wagner-Peyser performance reporting system. The Wagner-Peyser Act monthly performance reporting is divided into two components: Wagner-Peyser Act base grants and Reemployment Services Grants.

In the Wagner-Peyser Act Program, self-service only employment service participants are reported in the self-service columns for both the current month and program to date columns.

Additional Clarification on Reporting

Should self service only Wagner-Peyser participants be removed from the program-to-date totals when they receive a staff assisted service?

Yes, states should remove self service participants from the program-to-date totals in cases where the self-serviced participants receive staff assisted services in the current or any subsequent month. The edit check specification for this data element has been adjusted to allow for this situation.
