3. **Background.** TEGL 18-13, issued April 3, 2014, announced PY 2014 WIA state allotments. This Change 1 TEGL informs the states of recent allotment adjustments necessary due to Continuing Appropriations Resolution 2015, H.J. Res. 124, enacted September 19, 2014 (henceforth referred to as the “Continuing Resolution”). The Continuing Resolution reduced neither the WIA Youth Activities funds (available April 1, 2014) nor the base portion (available July 1, 2014) of funding for Adult and Dislocated Worker activities. However, the Resolution did reduce the FY 2015 advance funds for the WIA Adult and Dislocated Worker programs by 0.0554 percent (see attachments for revised allotment levels).
4. **Notice of Obligation (NOO).** The Department will issue a NOO with the new FY 2015 advance amounts for the Adult and Dislocated Worker programs. Because ETA will take into account the reduction when the NOO is issued, the states need take no further accounting actions.
5. **Possibility of a Rescission to FY 2015 Funding.** It is possible that the final appropriation for FY 2015 will contain a rescission greater than the 0.0554 percent reduction to the Adult and Dislocated Worker advance funding.
6. **Inquiries.** Please direct questions regarding these allotments to the appropriate ETA Regional Office. Information on allotments and planning requirements may also be found on the ETA Web site at <http://www.doleta.gov>
