3. **Background.** The Department of Labor through the Employment and Training Administration, Office of Foreign Labor Certification's (OFLC) national office and two processing centers, with the assistance of State Workforce Agencies (SWAs), administers various Foreign Labor Certification programs. Congress appropriates funding to OFLC, through the Wagner-Peyser allocations under the State Unemployment Insurance and Employment Service Operations provisions, to meet certain obligations mandated by the Immigration and Nationality Act (INA). OFLC provides annual guidance and funding levels to the SWAs so that they may support certain foreign labor certification activities. This TEGL is to provide SWAs with programmatic guidance and financial figures for FY 2014 to support FLC activities.
4. **Action Requested.** SWA Administrators are requested to immediately provide copies of this TEGL planning guidance to all staff involved in the preparation and submission of the annual grant plan for FLC program activities for FY 2014. **Within 30 calendar days** from the date of issuance of this TEGL, SWAs must submit their grant applications to OFLC unless they are in receipt of an approved, written extension from the OFLC National Office. We request that Administrators receiving this guidance share this information within their respective state and territory structures in order to ensure fiscal and program public workforce system members are fully aware of required FY 2014 FLC grant application process activities and timelines.
5. **Inquiries.** SWA staff should direct questions to OFLC National Office at FLC.Grant@dol.gov

Program Planning Guidance and Information Package

I. Introduction

The Immigration and Nationality Act entrusts specific responsibilities to the U.S. Secretary of Labor (Secretary) for the administration of certain employment-based immigration programs that require a labor certification. These statutory responsibilities include determining whether there are able, willing, and qualified U.S. workers for a position for which certification is requested and whether any adverse impact exists on similarly employed U.S. workers should a labor certification be granted. Accordingly, statutory and regulatory provisions require all employers seeking a labor certification, for either permanent or temporary nonimmigrant labor, to apply first to the Secretary for certification. The Secretary has delegated these responsibilities to the Office of Foreign Labor Certification (OFLC) of the Employment and Training Administration (ETA).

Under the State Unemployment Insurance and Employment Service Operations (SUIESO) account, Congress appropriates funding for state activities supporting foreign labor certification and the Federal administration of foreign labor certification programs as two separate activities. Federal Administration activity funds Federal program functions, such as the full Federal program costs of OFLC to receive and process employer-filed applications for permanent and temporary labor certification.

The State Grants activity funds state employment services supporting the Federal foreign labor certification programs including the review and clearance of job orders, inspection of employer-provided housing, and the administration of prevailing wage and practice surveys. ETA, through OFLC, distributes these funds annually to State Workforce Agencies (SWAs) as fiscal year (FY) formula grants in accordance with approved state plans. This document provides SWAs with the necessary guidelines for updating their annual plans and requesting funds in order to carry out their foreign labor certification program support responsibilities for a performance period of 12 months that began on October 1, 2013, and continues through September 30, 2014.

II. Grant Procedures

FY 2014 Annual Plan

- Foreign Labor Certification Workload (Attachment 2, Section A)
- H-2A Program Activities (Attachment 2, Section C)
- Cost of H-2A and H-2B Temporary Labor Certification Activities (Attachment 2, Section D)
- Grantee Contact Information (Attachment 2, Section F)
- Annual Plan Certification (Attachment 3)

- B. Grant Submission. Absent receiving an approved written extension from the OFLC National Office, a completed grant application package must be submitted by the SWA to OFLC **within 30 calendar days** following the date of issuance of the planning guidance using the following address:

U.S. Department of Labor
Employment and Training Administration
Office of Foreign Labor Certification
200 Constitution Avenue, NW, Room C-4312
Washington, D.C. 20210
Attn: OFLC Grants/Finance Team

To expedite review of your grant application package, the SWA may also send a Word or PDF copy using electronic mail (e-mail) to FLC.Grant@dol.gov and include "FY 2014 SWA Grant Plan" in the subject line of the e-mail.

- C. Grant Approval. Within 30 calendar days of receipt, OFLC will review the grant application package and inform the SWA, in writing, of any concerns or deficiencies that may prevent the grant application package from being approved. When it is determined that the grant application package meets the established criteria, the OFLC Administrator will recommend approval to the ETA Grant Officer. After receiving the approved grant application package from the OFLC Administrator, the ETA Grant Officer will issue the grant, including the approved grant application package, and a Notice of Obligation, to the SWA.
- D. Grant Signatures. The SWA's authorized representative must sign all signature pages of the grant application. If that individual has changed from the prior year, you must provide an official letter, on state letterhead, with the grant application package identifying the new authorized representative.
- E. Grant Modifications. The grantee and the ETA Grant Officer, at the recommendation of the OFLC Administrator, may jointly modify the FY 2014 SWA Annual Plan including negotiated changes in program activities (e.g., review of job orders, wage or prevailing practice surveys, etc.) and funding levels during the grant period of performance. The OFLC Administrator has the authority to recommend funding adjustments to the ETA Grant Officer when overall grant expenditures are substantially below or exceed forecasted or actual spending levels. Any grant plan modification request must include a transmittal letter, written narrative of the proposed modification(s), revised annual budget, and quarterly spending plan.

In the event that the Secretary is required by future legislation, regulatory action, or a court order to carry out responsibilities related to the administration of foreign labor certification programs not currently anticipated, the OFLC Administrator will notify the SWAs and request that they submit appropriate modifications to their approved grant plans directly to the ETA Grant Officer in order to fully carry out their responsibilities under the grants.

III. Grant Reporting Procedures

As a condition of receiving grant funds under the SUIESO account, SWAs agree to carry out responsibilities supporting the Federal administration of foreign labor certification

programs in accordance with all applicable regulations, policies, procedures, handbooks, manuals, and other directives, including but not limited to 20 CFR parts 655 and 656, 29 CFR Part 97 and 2 CFR Part 225. Financial and programmatic reporting by SWAs enables OFLC to report key information to Congress and OFLC stakeholders regarding the use of grant funds. Accurate reporting of required financial and program management data provides vital information to support future OFLC funding levels and ensure appropriate management of grant funds.

OFLC is responsible for monitoring the cost-reimbursable grants. Monitoring activities may include: review and recommendation for approval of the grant application package; analysis of expenditure and performance data submitted by grantees; execution of programmatic plan modifications; assessing a grantee’s timely and accurate submission of all required reports; and on-site reviews where needed, as fiscal constraints allow. OFLC will advise SWAs on how to administer the grant in accordance with the approved plan and the terms and conditions of their Wagner-Peyser Annual Grant Funding Agreement.

SWAs will report financial and program management information using the following required reports:

- A. Financial Status Report. ETA requires all grant recipients to submit the ETA Form 9130, *U.S. DOL Financial Report* (OMB Control No. 1205-0461, Expiration 12/31/2015) on a quarterly basis providing detailed expenditure information on the grant award activities. The ETA Form 9130 report is due **no later than 45 calendar days after the end of each quarter left in the fiscal year** and must be submitted online through ETA’s Grantee Reporting System. You can obtain a copy of the ETA Form 9130 at the following Web site: <http://www.doleta.gov/grants/docs/ETA-9130-ESandUI.pdf>.

Important Notes on Allowable Costs:

- Ⓢ Costs incurred under the grant may only be attributed to activities supporting the direct administration of foreign labor certification programs; and

- Costs can include staff resources, travel expenditures, other direct administrative costs, and indirect/overhead support (where an approved indirect cost plan is in place).

B. Program Activity Report. To account for work performed under the grant, SWAs must submit the ETA Form 9127, *Foreign Labor Certification Quarterly Activity Report* (OMB Control No. 1205-0457, Expiration 09/30/2015) on a quarterly basis providing detailed information on H-2A and H-2B program activities, and Permanent Labor Certification Program job order postings.

The data required by the ETA Form 9127 are available to the SWAs as part of their routine processing of requests from employers (SWAs currently maintain this data). ETA Form 9127 report is due **within 2 weeks after the end of each quarter during the fiscal year** and may be submitted by e-mail directly to OFLC at FLC.Grant@dol.gov

OFLC will promptly review the report for completeness and notify the SWA of any inaccuracies or deficiencies requiring correction. You can obtain a copy of the ETA Form 9127 at the following Web site:

C. Agricultural Prevailing Wage Survey Reports. A critical component of OFLC’s ability to grant a labor certification under the H-2A temporary agricultural program is a finding that the wages of U.S. workers similarly employed are not adversely impacted by the admission of temporary foreign workers. To that end, an employer participating in the program is required to offer and pay the highest of several wages, namely: the Adverse Effect Wage Rate, the prevailing hourly wage or piece rate, the agreed-upon collective bargaining wage, or the Federal or state minimum wage, except where a special procedure is approved for an occupation or specific class of agricultural employment (20 CFR 655.120(a)). SWAs collect and provide vital information to

OFLC with respect to whether a prevailing hourly wage or piece rate exists for the occupation or crop in the area of intended employment (also see, 20 CFR 653.501(d)(4)). These employer wage results are collected through survey instruments designed by the SWA, conducted in accordance with the ET Handbook No. 385, and transmitted to OFLC **as soon as the wage results are completed (based on the SWA's wage survey plan)** using the following standard forms:

ETA Form 232, *Domestic Agricultural In-Season Wage Report* (OMB Control No. 1205-0017, Expiration 09/30/2016)

http://www.foreignlaborcert.doleta.gov/pdf/in_season.pdf

ETA Form 232A, *Wage Survey Interview Record* (OMB Control No. 1205-0017, Expiration 09/30/2016) <http://www.foreignlaborcert.doleta.gov/pdf/wage.pdf>.

ETA Forms 232 and 232A may be submitted electronically directly to OFLC at agwage.surveys@dol.gov or mailed to the following address:

U.S. Department of Labor
Employment and Training Administration
Office of Foreign Labor Certification
200 Constitution Avenue, NW, Room C-4312
Washington, D.C. 20210
Attn: H-2A Prevailing Wage Surveys

If the SWA experiences any technical issues conducting or submitting the prevailing wage survey results, please contact the OFLC Temporary Programs Team, via e-mail at agwage.surveys@dol.gov or phone at (202) 693-3010. For assistance with FY 2014 surveys, the primary contact on OFLC's Temporary Programs Team is Mr. Ben Orona.

- D. Agricultural Employment Practice Survey Reports. The Department of Labor (Department) regulations at 20 CFR 655.122(b) require that each job qualification and requirement listed in the employer's job offer must be bona fide and consistent with the normal and accepted qualifications required by employers that do not use H-2A workers in the same or comparable occupation and crops. In addition, Department regulations allow for certain terms of employment, provided that those terms constitute a prevailing practice. In making a determination as to whether a job offer contains normal and accepted qualifications and requirements or whether a term of employment would be considered a prevailing practice, OFLC may rely on any information or data collected through state-conducted surveys. The SWA is responsible for designing the survey instruments to collect the data, and for transmitting in summary form to the Chicago National Processing Center (NPC) the survey results as soon as the employment practice results are completed. Absent employment practice survey results, the SWA will be required to conduct ad hoc surveys.

The prevailing, normal or common practice survey results may be submitted electronically directly to the Chicago NPC at H2ASWA.Chicago@dol.gov or mailed to the following address:

U.S. Department of Labor
Employment and Training Administration
Office of Foreign Labor Certification
Chicago National Processing Center
11 West Quincy Court
Chicago, IL 60604-2105
Attn: H-2A Prevailing Practice Surveys

If the SWA experiences any technical issues conducting or submitting the employment practice results, please contact the Chicago NPC, via e-mail at H2ASWA.Chicago@dol.gov or phone at (312) 886-8000.

- c. SWAs will schedule and conduct **pre-occupancy inspections of housing** to be furnished to U.S. and H-2A workers who are not reasonably able to return to their place of residence the same day. Except in circumstances where the Department of Labor has promulgated special procedures, employer housing must meet the applicable local, state, or Federal standards, and be sufficient to house the number of workers requested in order for OFLC to grant a temporary labor certification. All employer-provided housing must, at a minimum, meet the full set of U.S. Department of Labor Occupational Safety and Health Administration standards at 29 CFR 1910.142 or the full set of standards at 20 CFR 654.404-654.417, whichever are applicable under 20 CFR 654.401. To the extent practicable, the SWA will plan to schedule housing inspections before the filing of the agricultural clearance order for those employers who regularly use the H-2A Program. To the extent the SWA will use alternative methods for conducting pre-occupancy housing inspections such as contracts, memoranda of understanding, or other cooperative agreements with state or local organizations, please include a short description of these arrangements.

You must provide results of housing inspections to the Chicago National Processing Center 32 days before the employer's date of need. The preferred method for supplying this information is by e-mail to h2a.application.chicago@dol.gov.
