ADVISORY: TRAINING AND EMPLOYMENT GUIDANCE LETTER NO. 11-21

TO: SENIOR COMMUNITY SERVICE EMPLOYMENT PROGRAM
GRANTEES

FROM: BRENT PARTON /s/
Acting Assistant Secretary

SUBJECT: Program Year (PY) 2022 Planning Instructions and Allotments for Senior Community Service Employment Program (SCSEP) State, Territorial, and National Grantees

1. **Purpose.** To provide SCSEP state, territorial, and national grantees with the PY 2022 SCSEP allotments and the application instructions for PY 2022 grant submissions. This TEGL will also provide guidance regarding Minority Report submissions in the Program Narrative for this year.
2. **Action Requested.** To apply for PY 2022 grant funds, SCSEP grantees must follow the instructions in this TEGL and submit all documents to <https://www.grants.gov> with a copy to their respective Federal Project Officer (FPO), as well as the SCSEP Program Office at grants.scsepdocs@dol.gov. Submissions are due 14 days following the publication of this TEGL.
3. **Summary and Background.**
 - a. Summary – The Employment and Training Administration (ETA) releases grant planning guidance each program year to advise SCSEP grantees of the number of authorized positions and associated allotments for the program year and ETA’s requirements for obligating funding to grantees. This Training and Employment Guidance Letter (TEGL) provides SCSEP state, territorial, and national grantees with the PY 2022 SCSEP allotments and instructions for PY 2022 grant submissions.
 - b. Background – SCSEP funds are allocated by a formula provided in Section 506 of the Older Americans Act of 1965 (OAA), as amended, 42 USC §3056d, and operate on a PY basis, from July 1 through the following June 30. The Consolidated Appropriations Act of 2022, Pub. L. 117-103, (from this point forward, referred to as “the Act”) Division H, Title I, secs. 106(b) and 107, allows the Secretary of Labor (Secretary) to set aside up to 0.5 percent of each discretionary appropriation for activities related to program integrity and 0.75 percent of most operating funds for evaluations. In PY 2022, after reducing the appropriation by \$1,719,000 for set-asides authorized by the Act and transferring \$2,000,000 to the Office of the Solicitor (SOL) per Section 102 of the Act, \$401,281,000

is available for SCSEP program activities. Any funds not used for these reserve activities will be distributed by formula to state, territorial, and national grantees.

SCSEP funds are allocated to and administered through grants to all state governors, Puerto Rico, the District of Columbia, and four territories, as well as competitively awarded to national non-profit agencies for services across the country. The national non-profit organizations generally compete for the awards every four years (subject to annual appropriations). ETA renews SCSEP state and territorial grant awards on an annual basis and SCSEP national grants on an annual basis during non-competitive years. Each year, ETA requires grantees to submit a grant application that includes an SF-424, an SF-424A, the geographic areas to be served, a detailed budget narrative, a program narrative, signed programmatic assurances, and any optional special requests.

- 4. Program Details – Annual Grant Guidance.** This section provides detailed submission instructions for state and territory formula grantees and current national grantees.
 - a. Program Allotments (Attachment I).** Attachment I details the funding amounts and authorized positions for each grantee in PY 2022.
 - b. Grant Application Requirements.** Grantees must submit a complete grant package to receive PY 2022 funds. ETA will generally not obligate funds to any grantee until it has provided all the information outlined in this guidance. Additionally, grantees must ensure that the components of the grant application package are consistent with each other.
 - i. Application and Budget Information Form.** Grantees must submit current versions of the SF-424 Application for Federal Assistance and the SF-424A Budget Information Form. Budgets must include the non-Federal share of at least 10 percent of the total cost (OAA Sec. 502(c)(1), 42 USC §3056(c)(1)). These interactive documents and accompanying instructions are available at the following link¹: <https://www.grants.gov/forms/sf-424-family.html>.
 - ii. Geographic Areas.** Item 14 of the SF-424 requires a list of the “Areas Affected by Project.” Grantees must list the states and counties the grant will serve and must use www.scseped.org to obtain that information. Grantees may also export the data for the service area(s) to an Excel spreadsheet and attach the list as a separate document.
 - iii. Budget Narrative (Attachment II).** Grantees must submit a budget narrative that provides the information outlined in Attachment II of this TEGL, including:
 - A detailed description of costs associated with each line item on the SF-424A Budget Information Form.
 - Both the percentage and total dollar amount allocated to participant wages and fringe benefits as described at 20 CFR 641.565.
 - Both the percentage and total dollar amount allocated to administrative costs as described at 20 CFR 641.856.
 - Infrastructure contributions to the workforce system in accordance with WIOA Sec. 121(h), 29 USC §3151(h).

¹ Choose the SF-424 and SF-424A that note “Agency Owner” as “Grants.gov”.

- iv. Program Narrative (Attachment III).** All grantees must submit a narrative that includes the information outlined in detail in Attachment III of this TEGL, including:
- Services to minorities (Due to delays in data release from the Census Bureau, there may be delays in obtaining necessary data for this report for PY 2022. Please note additional guidance for the Minority Report in Attachment III for instructions.)
 - Organizational structure, monitoring, and audits.

Additionally, national grantees may also choose to provide any relevant updates to the statement of work that was included in the grant award documents following the PY 2020 National Competition. State grantees are not required to provide updates as they provided this information in relevant sections of the SCSEP portion of the WIOA Combined State Plan Modification submitted in March or their stand-alone SCSEP State Plan. States may modify their plans at any time, as well.

- v. Programmatic Assurances (Attachment IV).** Grantees must review, sign, and submit the programmatic assurances in Attachment IV that outline program requirements based on the OAA and the SCSEP regulations at 20 CFR Part 641. Adobe digital signatures are acceptable. The signatory must be the same individual as the Authorized Representative listed in item 21 of the SF-424.
- vi. Optional Requests (Attachment V).** Grantees may submit one or more of the optional requests described in Attachment V. Note that this TEGL provides updated instructions for requesting to use additional grant funds for training and supportive services activities (“ATSS” requests), and ETA encourages grantees to consider how incorporating such activities into their overall service strategy may help improve participant outcomes.
- c. Notices of Award.** ETA will issue Notices of Award with new grant numbers and allocation amounts to SCSEP grantees for PY 2022.
- d. Office of Management and Budget (OMB) Approval.** As required by the Paperwork Reduction Act, OMB has reviewed and approved this information collection (OMB Control Number 1205-0040, which expires on November 30, 2024). Under 5 CFR 1320.5(b), an agency cannot conduct, sponsor, or require a response to a collection of information unless the collection displays a valid OMB Control Number.
- e. Poverty Guidelines.** The Department of Health and Human Services (HHS) published updated Federal poverty guidelines that were effective on January 12, 2022. These guidelines provide the basis for determining the income eligibility of SCSEP applicants and enrollees. Grantees must multiply the appropriate base poverty guideline by 125 percent (or 1.25) to convert the poverty guidelines to “low income” as defined at Section 518(a)(3)(A) OAA, 42 USC § 3056p(a)(3)(A). The Poverty Guidelines are published on the HHS website and in the Federal Register. The HHS website that provides federal poverty guidelines (<https://aspe.hhs.gov/poverty-guidelines>) also provides a chart with percentages of the guidelines, including 125 percent levels.

Last year, ETA opted to discontinue issuing the Poverty Guidelines annual TEGL to convey the SCSEP poverty guidelines, given the availability of the poverty guidelines

information via the Federal Register and the HHS website. Grantees should review the poverty guidelines on one of these sites which are effective as of the publication date. ETA will continue to notify grantees informally once the poverty guidelines are published, and to post links to the guidelines at <https://www.dol.gov/agencies/eta/seniors> and <https://olderworkers.workforcegps.org/>.

Continued SCSEP Provisions of the CARES Act. The CARES Act, (Pub.L 116-136, March 27, 2020) Sec. 3223(2) provided the Secretary authority to increase the administrative costs for a project as described in OAA Sec. 502(c)(3) (42 USC §3056(c)(3)) to an amount not to exceed 20 percent of the grant amount if such an increase is appropriate due to the effects of the COVID-19 public health emergency. This TEGL provides SCSEP grantees the opportunity once again, to request an increase to their administrative cost limitation to up to 20 percent of the grant amount if the grantee can demonstrate that such an increase will help it mitigate the impact of the COVID-19 public health emergency on its operations, employees, and/or participants. As noted above in the instructions for the Budget Narrative and in Attachment II, grantees should note in their Budget Narrative whether they plan to request the increased 20 percent cost limitation. To use this flexibility, grantees must request and obtain ETA's approval according to the instructions in Attachment V, Optional Special Requests, addressing the justification requirements in 20 CFR 641.870.
