**LIMITATIONS:**

<sup>1</sup> Partners' funding contributions for infrastructure costs are subject to the partner programs' administrative cost limitations and restrictions. The definition of administrative costs may also differ from one partner program to the next.

<sup>2</sup> Statutory caps for infrastructure funds is applicable only if the State Funding Mechanism is being implemented.

<sup>3</sup> Native American programs, as required One-stop partners, are strongly encouraged to contribute to infrastructure costs, but they are not required to make such contributions under WIOA.

<sup>4</sup> These programs do not distinguish between program or administrative funds since there is only one allotment from which all expenditures – administrative costs and program costs – must be paid. Although the VR program imposes no limits on the amount of funds that may be spent on administrative costs, VR agencies must report funds spent for infrastructure costs as administrative costs.

<sup>5</sup> At the discretion of the Governor, in accordance with WIOA sec. 121(b)(1)(C) and 20 CFR 678.405.

<sup>6</sup> The Governor may determine that TANF will not be a required partner.

<sup>7</sup> Additional partners are required to share in infrastructure costs when participating in the one-stop service delivery system; however, the State funding mechanism is not applicable to additional partners.
