[1] From FY 1996 through FY 1998, Summer Youth funds are appropriated on a fiscal year, not program year, basis. Summer Youth fiscal year funds are part of the prior program year grant agreement and have the same life as the prior program year program.

[2] For 1996 through 1998, FY II-B funds transferred to PY II-C take on life of PY II-C funds, however, PY II-C funds transferred to FY II-B retain life of II-C funds as shown above.

[3] Beginning in PY 1999, II-B funds and II-C funds are available beginning April 1 and are part of the same program year grant agreement with the same life of funds.
