2. **Background.** Wagner-Peyser Act regulations at 20 CFR 653.108(e) stipulate that all SMAs are required to attend training sessions conducted by ETA’s National and/or Regional Monitor Advocates. Regulations at 20 CFR 653.108(k) also require Monitor Advocates to establish ongoing liaison with other organizations serving farmworkers, and to meet frequently to better coordinate on improving the delivery of employment and training services to migrant and seasonal farmworkers (MSFWs) through the American Job Center network. ETA Regional Monitor Advocates are also required to meet with SMAs to discuss the states’ capabilities for providing services to MSFWs during the upcoming harvest season, as outlined at regulations at 20 CFR 658.603(f)(10).
3. **Monitor Advocate National Training.** This event will provide training and technical assistance to help SMAs and RMAs better fulfill their responsibilities regarding services to MSFWs. Specific objectives of the training sessions are to: 1) Educate the Monitor Advocates about the new requirements under the updated Wagner Peyser regulations; 2) Teach the Monitor Advocates how to implement the new requirements; 3) Better integrate public workforce system services to MSFWs; 4) Improve coordination of the enforcement of farmworker rights and protections; 5) Facilitate the exchange of resources and strategies across states and agencies for serving MSFWs; and 6) Provide technical tools and assistance to Monitor Advocates, specifically surrounding the new regulations.
4. **Arrangements.** The “Monitor Advocate National Training” will begin Tuesday, July 19, 2016, at 8:00 AM a.m. (Eastern) and will continue until 5:00 pm (Eastern) on Thursday, July 21, 2016.
