	<b>DATE</b> March 1, 2013

**TO:** ALL STATE WORKFORCE AGENCIES  
 ALL STATE WORKFORCE LIAISONS  
 ALL STATE WORKFORCE ADMINISTRATORS  
 AMERICAN JOB CENTERS

**FROM:** JANE OATES  
 Assistant Secretary

**SUBJECT:** Agricultural and Food Processing Clearance Order and Memorandum,  
 Employment and Training Administration (ETA) Forms 790 and 795

- Purpose.** To transmit the updated Agricultural and Food Processing Clearance Order, ETA Form 790; Agricultural and Food Processing Clearance Memorandum, ETA Form 795; and the instructions for both forms.
- References.** Wagner-Peyser Act as amended, Section 3; 29 USC 49b (a); and 20 CFR Part 653.500 *et seq.*
- Background.** The Agricultural Recruitment System (ARS) helps agricultural employers recruit qualified workers on a temporary or seasonal basis. The ARS provides protection to workers who are not seeking permanent relocation, but rather temporary agricultural employment. Through the ARS, the State Workforce Agencies (SWAs) can recruit and refer qualified workers systematically from other areas of the state and from other states when there is an anticipated shortage of workers in the local area. To use the ARS to recruit workers, employers work with their local American Job Center (formerly referred to as a One-Stop Career Center) to develop agricultural or food processing Clearance Orders which request workers for less than one year of employment.

ETA requires states to use two forms as part of the ARS. To initiate out-of-area recruitment for temporary agricultural work, SWAs should use ETA Form 790 "Agricultural and Food Processing Clearance Order." SWAs should use ETA Form 795 "Agricultural and Food Processing Clearance Memorandum" when making changes to the Clearance Order. ETA Form 795 may be used to reflect changes in employment terms and conditions and changes in dates, or it may be used to provide additional information relating to the Clearance Order.

As required under the Paperwork Reduction Act, ETA sought and received approval from the Office of Management and Budget (OMB) for a 3-year extension of Forms 790 and 795 with changes. Prior to this approval, the proposed forms were released for public comment through Federal Register Notices 77 FR 28625, May 15, 2012, and 77 FR 56232, Sept. 12, 2012, and changes were made to ETA Forms 790 and 795 accordingly.

4. **ETA Form 790, Agricultural and Food Processing Clearance Order.** ETA has made changes to ETA Form 790 in order to clarify the information that employers need to provide in the Clearance Order, to make the job description and requirements as clear as possible for agricultural workers, and to facilitate processing of Clearance Orders by local offices and SWAs. The changes incorporated to ETA Form 790 include the following: (1) In **Box 1**, added types of contact information for employer or agent. (2) In **Box 2**, changed the word “Location” to request the exact address of the worksite. (3) In **Box 3**, added directions to housing. (4) In **Box 4**, removed “Industry Code” and replaced with “occupational code and title,” formerly in another location. (5) In **Box 6**, included information on address of order holding office and name of local office representative, formerly in another location, to clarify that states (not employers) provide this information. (6) Added **Box 12** for the anticipated range of hours for different seasonal activities. (7) In **Box 13**, eliminated collect calls accepted from the local office. (8) In **Box 14**, replaced reference to “boarding arrangements” with a more specific request for information on how the employer intends to provide meals or cooking facilities for workers. (9) In **Box 15**, added information on how applicants are to be hired. (10) In **Box 16**, added information on work experience and job requirements. (11) In **Box 17**, which provides for wage rates, pay information and deductions, added a “Monthly” pay period option. (12) In **Box 26**, inquired if job order is to be placed in connection with a future Application for Temporary Employment Certification for H-2A workers. (13) In **Box 27**, provided the Spanish translation for the Public Burden Statement. (14) Added a new **Box 28** for the purpose of providing additional information where necessary. A new addition to ETA Form 790 is the Intrastate and Interstate Clearance Order Assurance statement for employers’ signature. Also, the Spanish translation was added or corrected throughout the form.
5. **ETA Form 795, Agricultural and Food Processing Clearance Memo.** No changes were made to ETA Form 795.
6. **Action Required.** States are required to start using the attached version of the Agricultural and Food Processing Clearance Order, ETA Form 790, and Agricultural and Food Processing Clearance Memorandum, ETA Form 795, following the date of issuance of this Training and Employment Notice (TEN). This reporting requirement is approved under the Paperwork Reduction Act of 1995, OMB Control No. 1205-0134, with an expiration date of October 31, 2015.
7. **Inquiries.** Inquiries concerning this TEN should be directed to the Regional Monitor Advocate in the states’ respective region:

**INTRASTATE AND INTERSTATE CLEARANCE ORDER**

The employer agrees to provide to workers referred through the clearance system the number of hours of work per week cited in Item 11 of the clearance order for the week beginning with the anticipated date of need, unless the employer has amended the date of need at least 10 working days prior to the original date of need by so notifying the Order-Holding Office (OHO). If the employer fails to notify the OHO at least 10 working days prior to the original date of need, the employer shall pay eligible workers referred through the intrastate/interstate clearance system the specified hourly rate or pay, or in the absence of a specified hourly rate or pay, the higher of the Federal or State minimum wage rate for the first week starting with the original anticipated date of need. The employer may require workers to perform alternative work if the guarantee is invoked and if such alternative work is stated on the job order.

The employer agrees that no extension of employment beyond the period of employment shown on the job order will relieve the employer from paying the wages already earned, or specified in the job order as a term of employment, providing transportation or paying transportation expenses to the worker's home.

The employer assures that all working conditions comply with applicable Federal and State minimum wage, child labor, social security, health and safety, farm labor contractor registration and other employment-related laws.

The employer agrees to expeditiously notify the OHO or State agency by telephone immediately upon learning that a crop is maturing earlier or later, or that weather conditions, over recruitment, or other factors have changed the terms and conditions of employment.

The employer, if acting as a farm labor contractor, has a valid farm labor contractor registration certificate.

The employer assures the availability of no cost or public housing which meets applicable Federal and State standards and which is sufficient to house the specified number of workers requested through the clearance system.

The employer also assures that outreach workers shall have reasonable access to the workers in the conduct of outreach activities pursuant to 20 CFR 653.107.
