2. **Reference.** WIA, Section 166 (h)(4) and 41 CFR §102-3.30 (c).
3. **Background.** The current Council Charter was renewed for 2 years, effective July 22, 2009. The charter provides for approximately 21 members appointed for 2 years by the Secretary of Labor (Secretary). Appointments shall remain effective until a replacement is designated by the Secretary in writing.

With reference to the Other Discipline memberships, the Federal Advisory Committee Act regulations at 41 C.F.R. §102-3.30(c) requires advisory committees to have a balanced membership in terms of the points of view represented and the functions to be performed. Factors to be considered in achieving such a membership depend upon several elements, including the vision and mission of the Secretary. Prospective nominees may represent various areas of expertise such as technical experts (e.g. “green jobs”), education (including Tribal Colleges), health care, elected tribal leaders, business, or other sectors. Similar to other members of the Council, these individuals must be representative of Indian Tribes, Tribal organizations, Alaska Native entities, Indian-controlled organizations serving Indians, or Native Hawaiian organizations. In nominating Other Discipline representatives, the factors described above must be considered.

4. **Action.** Members of the Council shall serve at the pleasure of the Secretary for a 2 year term designated by the Secretary in writing. The Secretary may consider nominations for appointment to the Council as submitted by the grantee or tribal communities. The members listed above can still be renominated to serve another 2 year appointment. The Indian and Native American Program will accept nominations electronically submitted to the Designated Federal Official (DFO), Evangeline M. Campbell, at campbell.evangeline@dol.gov or by fax at (202) 693-3817. Please include a biography and resume of the nominee along with the form. In addition, include the name and telephone number of the individual who is submitting the individual for nomination. This information may also be mailed to:

Grantee (including those designated as Public Law 102-477) representatives in Regions I, II, III, IV, V, VI, and Oklahoma may submit nominations for memberships in their areas only. The Department of Labor (the Department) will accept nominations from all grantees to fill seats on the Council representing "Other Discipline" memberships. Indian tribes and Indian, Alaskan Native, and Native Hawaiian organizations that do not administer a Section 166 grant may also submit nominations. Public Law 102-477 grantees and tribal officials are eligible for appointment to the Council. Self-nominations will be accepted.

In submitting nominations, consider the availability of the nominee to attend and actively participate in Council meetings (a minimum of two meetings annually), serve on Council workgroups, and provide feedback to the grantee community. Members of the Council shall serve without compensation and shall be allowed travel expenses, including per diem in lieu of subsistence, as authorized by Section 166 (h)(4)(D)(ii) of WIA. Communication between the Council member and his or her constituency is essential to the partnership between the Department and the Indian and Native American community.
