**ADVISORY:** UNEMPLOYMENT INSURANCE PROGRAM LETTER No. 15-07

**TO:** STATE WORKFORCE AGENCIES

**FROM:** EMILY STOVER DeROCCO   
 Assistant Secretary

**SUBJECT:** Questions and Answers for Unemployment Insurance (UI)  
 Benefit Accuracy Measurement (BAM) Paid Claims Accuracy  
 (PCA) and Denied Claims Accuracy (DCA)

1. Purpose. To inform state workforce agencies of a revised and expanded series of BAM PCA/DCA questions and answers available on the Employment and Training Administration Web site, which supersedes questions and answers previously issued in Unemployment Insurance Program Letter (UIPL) No. 28-02 (June 10, 2002) and UIPL No. 45-01 (July 27, 2001).
2. References. Benefit Accuracy Measurement State Operations Handbook, ET Handbook (HB) No. 395, 4th Edition; UIPL No. 08-87, "Answers to Questions and Comments Raised Concerning the UI/QC Program" (February 11, 1987) and Change 1 (September 18, 1987), Change 2 (February 25, 1988), Change 3 (January 24, 1989), and Change 4 (January 18, 2001).
3. Background. The new series addresses coding issues and supplements HB 395, the principal resource for instructions concerning the operation of the BAM program. The questions and answers are presented in the order of the chapter citation from HB 395 and include pertinent questions and answers previously issued in UIPLs No. 45-01 and No. 28-02.

The new question and answer series does not supersede the referenced series of questions and answers published in UIPL No. 08-87, which remains a useful source for guidance.
