Public Burden Statement
"OMB Approval. Section 2116(a), Division B, Title II of the CARES Act states that “Chapter 35 of Title 44, United States Code, (commonly referred to as the “Paperwork Reduction Act of 1995”) shall not apply to the amendments made under this subtitle. As the OMB approval process is waived for these reporting instructions, these instructions should be considered final.”
I. GENERAL INSTRUCTIONS

Recipients of funding for Employment and Training Supplemental Budget Request (SBR) activities are required to submit quarterly progress reports to the United States Department of Labor’s Employment and Training Administration (USDOL/ETA) in order to comply with the reporting and record keeping requirements of these grants. ETA implements these projects through Unemployment Insurance (UI) SBR grants. Each state recipient of supplemental funds must submit a narrative Quarterly Progress Report (QPR) containing updates on the progress and implementation of each grant project as listed in the award letter. The instructions and performance reporting form (ETA 9178-P) for completing this report are found under Section II and Appendix A of these instructions. Should changes in definitions resulting from new legislation or related regulations occur, appropriate revisions will be issued to reflect these changes.

II. REPORT FORMS AND INSTRUCTIONS

The QPR provides narrative updates on the implementation of projects as described in each state’s statements of work and a self-assessment of the status of each project per quarter. The instructions for states to complete the QPR are found in Appendix A. The format for the QPR is found in Appendix A.

III. DUE DATES

All quarterly reports under Section II are due to ETA no later than 45 days after the end of each reporting quarter. The table below shows the expected due dates for each reporting quarter.

Information contained in the UI SBR quarterly reports (ETA 9178-P) must be submitted by email directly to the ETA regional office. An ETA Federal Project Officer will review and accept the report within 30 days of receipt, saving the document in ETA’s online grants management system as part of the official grant file. A grantee must specifically request approval through the Federal Project Officer prior to submitting any modifications to a
