The Timkin Company Canton, Ohio and The Timkin Company Wooster, Ohio; Notice of Revised Determination on Reconsideration

On August 17, 1999, the Department issued a Notice of Affirmative Determination Regarding Application for Reconsideration, applicable to workers of the subject firm locations in Canton and Wooster, Ohio. The notice was published in the Federal Register on August 31, 1999 (64 FR 47525).

The Department initially denied TAA to workers producing specialty alloy steel and tapered roller bearings and components of The Timkin Company in Wooster and Canton, Ohio, because the “contributed importantly” group eligibility requirement of Section 222 of the Trade Act of 1974, as amended, was not met.

On reconsideration, the Department conducted further survey of the major declining customers of The Timkin Company regarding their purchases of specialty carbon and alloy steel and tapered roller bearings and components. The survey revealed that customers accounting for a meaningful share of the subject firm’s sales decline during the relevant time period, increased import purchases of articles like or directly competitive with those produced by
workers at the Canton and Wooster plants.

Conclusion

After careful review of the additional facts obtained on reconsideration, I conclude that increased imports of articles like or directly competitive with specialty steel and tapered roller bearings and components, contributed importantly to the declines in sales or production and to the total or partial separation of workers of The Timkin Company, Canton, Ohio and Wooster, Ohio. In accordance with the provisions of the Act, I make the following certification:

All workers of The Timkin Company, Canton, Ohio and Wooster, Ohio, engaged in employment related to the production of specialty steel or tapered roller bearings and components, who became totally or partially separated from employment on or after March 2, 1998 through two years from the date of the issuance of this determination, are eligible to apply for adjustment assistance under Section 223 of the Act.

Signed in Washington, DC this 13th day of October 1999.

Program Manager, Office of Trade Adjustment Assistance.
