FREQUENTLY ASKED QUESTIONS

WHAT IS THE PURPOSE OF THE STUDY?

For TAA group. Our goal is to learn about the training and employment experiences of workers who lost their jobs for trade-related reasons and who were eligible for Trade Adjustment Assistance (TAA) or NAFTA-TAA services. This study is very important for improving services to jobseekers in the future.

For Comparison group. Our goal is to learn about the training and employment experiences of workers who received unemployment benefits. This study is very important for improving services to jobseekers in the future. It will allow us to understand what works well and what doesn't.

FOR THE TAA GROUP. I AM NO LONGER IN TAA TRAINING/I NEVER PARTICIPATED IN TAA/I NEVER HEARD OF TAA.

We are calling people whom the U.S. Department of Labor were notified to be eligible to receive Trade Adjustment Assistance or NAFTA-TAA services, even if these people never actually received services, are no longer receiving services, or never heard of the TAA program. Your responses and views are important in that it helps us gain perspective from those who participated in the TAA program as well as from those who did not.

IF DISSATISFIED WITH TAA TRAINING PROGRAM.

I understand. Your comments will be especially important to the research. The U.S. Department of Labor wants to have feedback from people who were satisfied **and** people who were dissatisfied with their experiences.

I DON'T COLLECT UNEMPLOYMENT BENEFITS ANYMORE/I COLLECTED THEM FOR A VERY SHORT TIME.

We are calling a group of people who filed for unemployment benefits. You may have never collected, collected for a short time, or collected benefits during the past several years. The interview goes very quickly.

I'M DISSATISFIED WITH MY UNEMPLOYMENT BENEFITS.

I understand. Your comments will be especially important to the research. The U.S. Department of Labor needs to hear from people who were satisfied and people who were dissatisfied with their experiences while collecting unemployment benefits.

IF DISSATISFIED WITH LOCAL UNEMPLOYMENT AGENCIES SAY.

I understand. Your comments will be especially important to the research. The U.S. Department of Labor wants to have feedback from people who were satisfied **and** people who were dissatisfied with their experiences.

HOW DID YOU GET MY NAME?

Your name was scientifically selected from among persons in your state who filed for unemployment insurance compensation or were eligible for Trade Adjustment Assistance (TAA) services in the last several years.

FAQs – continued

IS THE SURVEY CONFIDENTIAL?

Your responses are protected from disclosure by federal statute (P.L. 107-347, Title V Confidential Information Protection and Statistical Efficiency Act of 2002 (CIPSEA). Your answers will be combined with those of others and your name will never be used in reporting the results of the study. Your answers to questions will not affect your eligibility for any public program.

I DON'T HAVE THE TIME.

We can do the survey in more than one call, if necessary. I'd like to begin now and do as much as we can. Then, if you need to stop, I can call you back at your convenience to finish. Or, I can schedule a more convenient time to call you back. Which do you prefer?

WHAT HAPPENS IF I DON'T PARTICIPATE IN THE SURVEY?

Your participation is voluntary and will not affect your eligibility to receive unemployment or other benefits. However, your experience and opinions are very important to the success and improvement of programs that help unemployed workers find jobs.

I'M NOT INTERESTED.

Let me reassure you that we are not selling anything. The questions we ask are designed to help the U.S. Department of Labor improve services to people who are unemployed and seeking jobs. There are no right or wrong answers. We're interested in your experiences and opinions. Your answers will be combined with those of others and your name will never be included in any report.

HOW LONG WILL THIS TAKE?

The length of the interview is different for different people, but it usually takes about 30 minutes.

WHO GAVE YOU THE AUTHORITY TO CONDUCT THE STUDY?

This study is being sponsored by the U.S. Department of Labor and has been approved by the U.S. Office of Management and Budget under OMB control number 1205-0460. Without this approval we would not be able to conduct this survey. Questions regarding any aspect of this survey may be directed to the U.S. Department of Labor, Office of Policy Development, Evaluation and Research, Room N-5637, Washington, DC 20210 (Paperwork Reduction Project 1205-0460).

WILL I BE PAID?

FAQs – continued

WILL THERE BE A REPORT ON THE FINDINGS THAT I CAN READ? WHERE/WHEN CAN I SEE A PUBLISHED REPORT ABOUT THE NATIONAL EVALUATION OF THE TAA PROGRAM?

Survey results will be reported in several interim reports starting in 2011. Once these reports are cleared by the U.S. Department of Labor for public release, they will be available at the Mathematica Web address at www.mathematica-mpr.com.

WHAT ARE YOU GOING TO DO FOR ME NOW? ARE YOU GOING TO HELP ME FIND A JOB? ARE YOU GOING TO SEND ME FOR MORE TRAINING?

Mathematica Policy Research is a private, independent research firm. Our firm is conducting an evaluation for the U.S. Department of Labor, and this survey is part of this evaluation. Our staff, however, are NOT directly involved in the provision of unemployment compensation, job search assistance or training services. If you need further assistance, you should contact the appropriate program staff in your local area.

I'M ON THE NATIONAL "DO NOT CALL LIST/REGISTRY." WHY ARE YOU CALLING ME?

I understand how the law may be confusing, but legitimate research calls are not included in the law that applies to telemarketing calls. Lawmakers recognize the value of legitimate research and the need for the public to participate. We will not sell you anything, nor will we ask for money. Your privacy will be respected, and your cooperation is appreciated.

I can provide you with a website address so you can get more information on who is included and excluded on the do not call list. The Web address is www.donotcall.gov.

DOES THE MONEY I RECEIVE FOR COMPLETING THIS SURVEY COUNT TOWARDS MY INCOME FOR THIS YEAR?

No, the money received for completing this survey is not considered employment income. Employment income is generated from an employment contract. This is a one-time payment for volunteering to take part in the survey.

WHY ARE YOU CALLING ME AGAIN? I ALREADY DID THIS SURVEY

We are calling you again to see how you are doing and learn about your employment and training experiences since the time we last spoke to you.
